

Hyderabad | Ph: +91-7396176996 | sonyphoebe691@gmail.com

SUMMARY:

- Good exposure on Eclipse, and windows.
- Knowledge on Java, MySql, HTML.
- Familiar with TCP/IP protocols in an environment that provides multithreading and High Availability support at Network Layer.

TECHNICAL SKILLS:

Programming languages	Java
IDEs	Eclipse
Operating system	Windows
Database	MySql

EDUCATION ATTAINMENTS:

- Bachelor of Technology (B.Tech) in Information Technology from **KESHAV MEMORIAL INSTITUTE OF TECHNOLOGY** an autonomous college, Hyderabad during (2021-2024) with **73.06%** aggregate.
- Polytechnic in Electrical and Electronics Engineering from **SAI SPURTHI INSTITUTE OF TECHNOLOGY**, Sattupally, State Board of Technical Education & Training during (2018-2021) With **88.54%** aggregate.
- 10th Standard from **D.A.V Public School**, Sattupally, Central Board of Secondary Education in the year (2018) with **82.83%** aggregate.

ACADEMIC PROJECTS

Project-1: [YOUTUBE-TRANSCRIPT-SUMMARIZER](#).

- **Programming Language:** Python
- **Web Framework:** Flask
- **NLP Library:** Hugging Face Transformers
- **API:** YouTube Transcript API
- **Machine Learning:** Text summarization models from Hugging Face

Description:

- Developed a web extension that extracts and summarizes transcripts from YouTube videos, providing users with concise and relevant information.
- Utilized the YouTube Transcript API to fetch video transcripts and Implemented NLP techniques using Hugging Face's transformers library to summarize long transcripts efficiently.

- Built a user-friendly web extension with Flask to input video URLs and display summaries and Handled large transcripts by dividing them into manageable chunks for summarization.

Project-2 : WANDER WITH SKY-TRAVEL COMPANION APPLICATION.

- **Frontend:** React
- **APIs:** Google Maps API, Rapid API

Description:

- Developed a tourist guide web application, Wander with Sky Travel Companion, to assist travelers in exploring unfamiliar locations and enhancing their travel experiences.
- The application provides information about widely visited attractions, landmarks, historical sites, hotels, and restaurants.
- Integrated Google Maps API to display locations and provide navigation assistance. Utilized Rapid API to fetch data and enhance the application with additional features and information.
- Designed user-friendly interfaces with React for seamless navigation and information access.

PERSONAL PROFILE:

Name	Sony Baree
Date of Birth	15 th May 2002
Languages known	English, Telugu
Contact No	+91-7396176996
E-mail	sonyphoebe691@gmail.com

Declaration:

I hear by declare that the mentioned information is correct to the best of my knowledge.

Date: (B.SONY)
